Young Musician Showcase

Information sheet

Entry fee deadline: postmarked Friday, September 18th, 2015

We encourage all students who take music lessons to participate. Not only piano students, but also voice, string, brass, and woodwind students are welcome. Each student will perform one composition: in the case of very short pieces (less than one minute) the student may play two. There is no definite time limit for pieces for each grade level, but we do not encourage lengthy pieces, since one of the purposes of our Showcase is to have as many students as possible participate.

The entry fee is \$15.00.

Auditions are to be held Friday, October 2nd, from 3:00am to 6:00pm on the stage of Presser Performing Arts Center. All students aged 5 years to 18 years old are encouraged to participate. Teachers will be notified in order to schedule appointments for each student. The participants will be assigned a number, and identified to judges in that manner. Students should number the measures of their music. Please arrive at least 15 minutes early to check in with the monitor.

Approximately 25 students will be chosen for the performance (the number of students participating will be determined by the length of the program). Judges' rating sheets will be returned personally, or mailed, to teachers after the conclusion of the auditions. Teachers will notify their students of the results.

All students chosen for the showcase will be expected to attend the rehearsal on Saturday, October 24th, at 4:00pm at Presser Performing Arts Center. There will be a master of ceremonies to introduce each performer, so each student chosen for the program should fill out and return the BIO Form to his/her teacher. The teacher should send all Bio Forms to Yukiyo N. Lake at the address below by Tuesday, October 13th.

Appropriate recital dress is required for the auditions and program. A General Admission charge will be \$12.00 for Adult and \$6 for Child under 12years old.
